## County Increases To New High 157,086

WEST PALM BEACH — The communities of Boca Raton, and Riviera Beach appear to be the fastest growing towns in Palm Beach county according to certification of the special federal census received by the County Commission Tuesday.

Breakdown on the towns in the county show that Boca Raton with a population of 2,736 has tripled in size in the past five years — when the last regular Federal census was taken.

Riviera Beach, according to the special census now has 2,266 residents, double its population of five years ago.

In general, all communities in the county have shown a population increase in the past five years. One of the few exceptions is Canal Point which dropped from 1,022 five years ago to 939 in the last count.

West Palm Beach continues to be the largest city in the county with a population of 51,015 — up about 8,000 residents since the last census.

Smallest community in the county is Manalapan with 38 residents and second smallest is Highland Beach with 77.

Population figures by County Commission districts were listed as follows.

	1955	1950
District 1	31,301	23,726
District 2	39,221	27,625
District 3	38,057	25,948
District 4	22,430	14,392
District 5	26,077	22,797

Total for Palm Beach County was listed at 157,086. Five years ago the total was 114,688.

## New Group Named Head Flood Control

The Florida state senate on Tuesday confirmed a complete new list of board members for the Central and Southern Florida Flood Control District as recommended by Governor LeRoy Collins.

Those who will run the multi-million project are Willis H. Hitt, former West Palm Beach mayor; J. Abney Cox, Coral Gables and Princeton grower and a former chairman of the FCD; W. B. Makinson, a Kissimmee hardware merchant; Brian K. McCarty, Ft. Pierce citrus grower and cattleman and brother of the late Gov. Dan McCarty; and David O. Glick.

## Summer Vacation Church School

A Summer Vacation Church School for the kindergarten, primary and junior department children at the Pahokee First Methodist Church will be held at the church Aug. 8-17, according to plans announced by Mrs. Lloyd Hundley, who will serve as director of the school.

Assisting Mrs. Hundley on the planning committee are Mrs. Arch Blakey, Mrs. Hugo Boe, Mrs. Robert C. Hatton and Mrs. Leo Maxwell.

The school themes will be "My Family and Home", kindergarten; "Love One Another", primary; and "Living and Working Together as Christians", Junior Department.

## Boy Scout Drive Is Nearing The End

Dr. Mendal Luce, chairman of the Boy Scout fund-raising drive in the Pahokee-Canal Point area, expects to wind up the drive this Friday May 27.

Persons who have not been contacted to date by drive workers and who are willing to support Scout work in this area are asked to mail their contributions to Dr. Luce at Pahokee this weekend.

## Annual Class Day Is Set For June 3

Annual Class Day will be observed by the Pahokee High School Senior Class during an assembly of the studentbody Friday, June 3, at 2:20 p. m., when the Class's history, prophecy, superlatives and last will and testament will be read by various members of the Class and the annual awards presented by the school and civic groups to outstanding members of the Class will be made. Parents and friends of Senior Class members are invited.

## Pahokee Council Changes Its Zoning

The Pahokee City Council at a meeting Monday night took action to amend the city's new zoning ordinance in order that a permit may be issued to the Orange State Oil Company for the construction of a \$60,000 filling station and bulk plant at 37 East Main St.

Tuesday, June 14, was set as the date for a public hearing on the proposed amendment. If no protests are registered at the hearing the Council will proceed to pass the amendment which will permit the erection of industrial as well as commercial building at the site of the proposed bulk plant.

The Council resumed work on specifications and plans for the construction of new sidewalks on Annona, Banyan and Cypress Avenues between Second and Fourth Streets. When built these sidewalks will complete the city's sidewalk building program for the Southeast residential section. It was voted to lower the grade for the new sidewalks to be built on Annona Ave. Bids for this new sidewalk construction will be advertised within 30 days following the next regular meeting of the Council June 13.

Plans were also discussed for the building of a new sidewalk on the east side of Lake Avenue from Second Street to Stanley's Chevrolet building.

A \$25 contribution was voted to the Boy Scout fund-raising drive. It was also voted to advertise for bids on a dusting machine for the control of mosquitoes.

Mr. and Mrs. Robert Zazhritz and children, Robbie, Mark and Marie, of Miami were guests Saturday of her brother-in-law and sister, Mr. and Mrs. Joe Thompson, in Pahokee. They were accompanied by his uncle, Caesar Christophel of St. Louis, Mo.

Mr. and Mrs. George Meher left recently to spend the summer with relatives at Crescent Park, N. J.

## C of C Memberships Come In Steadily

Tuesday night, June 7 is the date set for election of permanent officers of the newly formed Canal Point Chamber of Commerce. The meeting will be held at the Community building at 7:30 o'clock.

Temporary Secretary Boyd Vorhes said yesterday that memberships are coming in steadily. Annual dues for business concerns have been set at \$25. It is thought that the hoped-for 20 paid-up members will be signed up and ready to choose their permanent officers by the June 7 meeting.

Those members qualified to vote by right of paid membership will elect their permanent officers and make plans for the future of the Chamber at the June 7 meeting.

## Band Banquet Set For This Evening

The annual banquet for the 67 members of the Pahokee High School Band and their director, Bandmaster Robert O. Lampi, will be given by the Band Parents Association in the Community Hall at Canal Point this Friday evening, May 27.

In charge of arrangements for the banquet will be the mothers of the Senior members of the band: Mrs. R. F. Hurt, Mrs. Fred Hicker, Mrs. J. M. Elliott, Mrs. William Howard, Mrs. Melvin Pugh, Mrs. Marjorie Henderson, Mrs. George B. Ramey, Mrs. Mildred Schoepel, Mrs. J. E. Williams, Mrs. William McClenithan and Mrs. Sam Lindsay.

## Memorial Day To Be Observed Monday

The regular county commission meeting called for next Monday has been cancelled in observance of Memorial Day, a national holiday.

Commissioner Paul Rardin suggested that the meeting be called off and that court house offices — like the county commission office — be closed in observance of the holiday.

## Local Post Office To Close Wednesday P. M.

The Canal Point post office will start observance of summer hours on Wednesday, June 8, according to Postmaster Osceola Upthegrove. He said that beginning on that date the office will close at noon during June, July, August and September. Hooks Grocery and Edols Grocery announced last week that they will close Wednesday afternoon, beginning June 1, for three months.

## Billie Nell Stokes Is Valedictorian

Billie Nell Stokes has been named valedictorian of the Pahokee High School graduating Class of 1955 for having the highest scholastic average during four years of Senior High School of the 45 candidates for diplomas in this year's Senior Class. Judy Starling was named salutatorian for having the second highest scholastic average. They will deliver the valedictory and the salutatory for the Class of 1955 at the commencement exercises in the high school auditorium Monday night, June 6.

## Jim Seay Heads Student Council

Jim Seay has been elected new president of the Pahokee High School Student Council. Other new officers, elected by the studentbody in secret ballot to serve on the PHS Student Council through the 1955-56 school year, were Ronnie Berry, vice president; Derother Rushing, secretary, and Corinne Collins, treasurer.

### PACK 23 MEETING

The Pahokee Cub Pack 23 will conduct its final meeting of the season Tuesday night, with George H. Tucker, Jr., to preside as cubmaster in the absence of Jack Phillips who has gone to Fairfax, S. C. for the summer. All parents of Pahokee cub-scouts are urged to be present.

Mr. and Mrs. Earl Maxson and Mike were the week end guests of relatives in Ft. Lauderdale.

## County Board Visits Canal Point Lions

A group of County officials were guests of the Canal Point Lions Club at the dinner meeting in the Community Hall Monday night when annual ladies night was observed by the club.

President Osceola Upthegrove introduced County Commissioner Paul Rardin of Canal Point. Rardin, in turn, introduced Ben F. Sunday, chairman of the Board of County Commissioners; Kenneth Foster and Lake Lytal, County commissioners; Steve Middleton, County engineer, and Harry A. Johnston, County attorney.

Mr. Sunday extended greetings to the Club and its guests on behalf of the entire Commission. Mr. Lytal gave a brief talk on "The County Welfare Program" and Mr. Foster, on "County Zoning." Mr. Johnston reviewed the bills passed by the 1955 State Legislature that will affect Palm Beach County. Mr. Middleton explained how bids for County equipment are received, opened and read in public. To give the audience a view of the County Commission at work, the commissioners reenacted the regular Monday session of the Commission.

Perfect attendance pins for the past year were presented to 14 of the 27 members of the club: A. R. Chastain, Floyd Erickson, Albert Fremd, A. R. Harrington, Albert Harrington, A. J. Heldt, D. L. Harrington, A. J. Heldt, M. M. Martin, Hooks, Alton Jones, H. H. Sear, O. H. Sheppard, Osceola Upthegrove and Boyd Vorhes.

A Certificate of Appreciation was presented by the club to Mr. Rardin for "valuable services rendered" (continued on page 8)

### Here Is What Transpired At Monday's Meeting Of The Palm Beach County Commission

County Commissioners this week will meet with residents engaged in trash and garbage removal in suburban areas with a view to initiating a new county law for issuing franchises for trash and garbage removal.

The meeting has been called for Friday at 10:30 a. m. in the commission rooms to discuss the basis for issuing the franchises and for garbage and trash removal from areas now on regular municipal trash and garbage routes.

The commission recently was granted legislative approval for issuing the franchise agreements.

The discussion is also expected to include a review of a commission program to convert abandoned pits owned by the county into areas to be used for land fill garbage disposal.

Commissioner Kenneth Foster said tentative studies of the rock pit proposal have included plans to fill in the area as part of the county's mosquito control program.

The county commission this week asked the Airforce to release a parcel of land at Palm Beach Airbase for use in developing a commercial area at International Airport.

The lands are located adjacent to the section which the county already owns and where International

al Airport is located.

Commission action this week came in the form of a resolution proposed by Commissioner Lake Lytal asking Col. H. G. Thorne, Jr., base commander, to recommend to the Airforce, the release of whatever lands that might be available for civilian use.

Lytal said that about 10 acres are available near the airport and are wanted by the county as a site for refrigeration facilities for handling and shipping Glades farmland products and for providing facilities for servicing and maintaining privately owned "executive" aircraft which use the air field.

In other actions the commission: Voted to call for bids for construction of a new building at Canal Point park and a restroom building at John Prince Park in Lake Worth.

Authorized purchase of some two miles of right of way for relocating a lateral canal to allow improvement of Lake Worth West Road.

Granted two weeks military leave to John Causey, Asst. County Agent and Dr. C. L. Brumback, director of the county health department.

Approved a suggestion by Commissioner Paul Rardin to seek traffic safety signals at a new bridge

at State Road 80 and State Road 7.

Urged the Seaboard Railroad to install safety gates at Forest Hill Blvd. in West Palm Beach. Funds for the gates were made available two years ago by the county.

### Cinematic Chatter

By Malcolm Miller

Hello everybody! Nancy Gates is one actress who doesn't mind playing so-called "wholesome" roles. "It isn't necessary to play the flashier screen "bad" girls to get attention and make a movie career," says screen actress Nancy. Born in Dallas, Texas, Nancy spent most of her life in Denton, some 35 miles away. Her parents, Virgil and Ruth Gates, still live in Denton where her father is in the wholesale dry goods business. As long as she can remember, Nancy was always interested in show business, and began appearing in little theatre, and stock when she was just a youngster. An executive of radio station WFAA in Dallas heard her sing and signed her to a contract. She was only 13 years old at the time. She was starred on her own air show for two years, continuing her education at Denton High School at the time. She received considerable publicity during this period and when she was 15 in the Dallas News ran her photo in the rotogravure section. A talent scout saw this photo and brought her to Hollywood in 1941. She was at RKO for four years and played key roles in several pictures. Today she is one of the most sought-after young starlets in filmdom. See you at the movies—Mal.

### New Ice Plant For Pompano Beach

City Products Corp. will construct an ice plant and storage facility with 100 tons of daily manufacturing capacity at Pompano Beach.

The announcement by President William J. Sinek of City Products, was made at his headquarters in Chicago last Saturday.

The company last year acquired the 29 ice manufacturing plant of the Florida Power & Light Co., and now operates 28 ice plants in Florida, including the vast Lake Okeechobee farming area with plants at Lake Harbor, Belle Glade and Pahokee.

Regal Brewing Co., of Miami is a subsidiary of City Products.

Local officials said the Pompano Beach plant would cost about \$500,000.

It will be built in the Farmers Market area of Pompano Beach and will have the most modern icing equipment available.

### ENJOY BARBECUE SUPPER

Members of the Pahokee High School Glee Club enjoyed an outdoor party and barbecue supper near the St. Lucie Canal Friday evening. Miss Margaret Powell, director of the Glee Club, and Francis Hogan, a member of the faculty, were guests.

Mrs. Maxine Joyce left Monday to spend a week with her son-in-law and daughter, Mr. and Mrs. Bill Rogers and family at Fort Myers.

### Mrs. Geo Tucker, Jr. New Club President

Mrs. George H. Tucker, Jr., was installed new president of the Pahokee Woman's Club at the last luncheon meeting of the season held Wednesday at the club, with Mrs. Frank Friend acting as installing officer.

Other officers inducted were Mrs. James H. Wilson, first vice president; Mrs. J. C. Schoepel, second vice president; Mrs. Lewis Friend, recording secretary; Mrs. Robert C. Hatton, corresponding secretary; Mrs. M. I. Keen, treasurer; Mrs. R. J. Schroder, parliamentarian, and Mrs. Louis Davis, auditor. After installing the officers, Mrs. Friend presented each with a corsage.

A special feature of the luncheon was the presentation of honorary memberships to members who have had 25 years of active service in the club. These included Mrs. J. R. York, Mrs. Abe Dobrow, Mrs. Gene Butler, Mrs. Robert J. Schroder, Mrs. Sadie Barwick, Mrs. B. Elliott, Mrs. Minnie L. Hughes and Mrs. Sam McKinstry, Sr., all present at the meeting. A few others eligible

for the honorary membership were not present. Mrs. Don Hillier was in charge of the distribution of the honorary membership cards and presented each of the honorary members present with a corsage.

Miss Lulu Barfield was honored at the meeting as a charter member. Gifts were presented by the club to Mrs. Norman Kennedy, the retiring president, and to Mrs. Sam McKinstry, Sr., the retiring house chairman. The incoming president, Mrs. Tucker, was presented with a president's pin.

At a brief business session, Mrs. Frank Friend reported the Palm Beach County Chapter of the American Red Cross has promised to furnish some kind of conveyance for transporting children of the Glades area to and from the clinics on the East Coast, starting in the fall.

Mrs. Friend also reported no applications have been received to date for the club's newly established scholarship fund.

## Christian Science Group Of Canal Point

Divine healing which casts off evil and restores harmony on the basis of God's unfailing power and goodness will be set forth at Christian Science services this Sunday.

The Lesson-Sermon entitled "Ancient and Modern Necro-Mancy, alias Mesmerism and Hypnotism, Denounced" will include the account of healing as recorded in The Acts of the Apostles (5:12 to 16): "And by the hands of the apostles were many signs and wonders wrought among the people. . . . There came also a multitude out of the cities round about unto Jerusalem, bringing sick folks, and them which were vexed with unclean spirits: and they were healed every one."

Also stressing the practical power of Christian healing is the following passage to be read from "Science and Health with Key to the Scriptures" by Mary Baker Eddy: "God will heal the sick through man, whenever man is governed by God. Truth casts out error now as surely as it did nineteen centuries ago" (495:1-3).

## Daytona Plans For United Drive Fund

DAYTONA BEACH—With the view of giving relief to business organizations, and citizens as well, an informal citizens group met here to consider the formation of a local fund raising federation that would consolidate all fund raising and do away with the constant fund raising drives that now harass and burden everyone.

The Community Chest was intended to serve this purpose but today there are almost as many organizations seeking funds who are outside of the Chest as there are in it.

Lou Fuchs, temporary chairman of the group, said "The problem is the multiplicity of drives that harass givers and wear out workers with constant requests for contributions."

The United Fund or Federation would handle all agencies seeking funds such as Cancer, Polio, TB, Red Cross, Heart, Crippled Children, Salvation Army, etc.

Fuchs pointed out that the situation has become so acute and the burden so heavy that similar organizations have been set up in 685 other cities and is working out successfully.

## Hospital Board Renames Chairman

The board of directors of the Northwestern Palm Beach County Public Hospital Board, which controls the operations of the Everglades Memorial Hospital at Pahokee, has reelected Albert Fremd of Canal Point board chairman for another year.

A. R. Harrington, also of Canal Point, was elected vice chairman, and William O. (Bill) Moss of Pahokee, secretary-treasurer. Other members of the board are Mrs. Vena Mae Schroder and Robert Apelgren, who was recently appointed by Gov. Leroy Collins to succeed M. P. Stanley on the board. Ralph O. Johnson, the board's legal advisor, will continue to serve as assistant secretary and Jesse W. Reel, EMH administrator, as assistant treasurer.

## Quarterly Meeting Is Held In Canal Point

At the fourth quarterly conference held recently at the Canal Point Methodist Church Dr. Clare Cotton, district superintendent and presiding officer, announced the official request for the return of the pastor the Rev. B. William Palmer, for his third year of service to the Canal Point church and community.

Frank Wilson reported at the conference that the indebtedness on the Sunday School building has been reduced to a balance of \$2,900. Mrs. Oliver Hatfield, Sunday School superintendent, reported an average attendance of 106 at the church school during the past year, this being an all-time high.

## Dr. Geo. Arceneaux Joins Pahokee Rotes

Dr. George Arceneaux was received as a new member of the Pahokee Rotary Club at the Thursday luncheon meeting last week, with Paul Rardin in charge of the induction ceremony and President Thadd Whidden presiding.

The club voted a \$25 membership to the Pahokee Chamber of Commerce. Jack Spencer, chairman of the Pahokee Rotary Welfare Fund, reminded members of the club that their annual contribution to the fund are now being solicited.

William S. Plumer, program chairman, showed a sound film of the Professional Golf Association's championship matches at Detroit.

Paul Rardin introduced as visitors Robert Lee of Panama City,

Shirley Parvin and Bill Filer of West Palm Beach and Barney Creech and John T. Pickett, Sr., members of the Belle Glade Rotary Club.

## Philip A. Dulany Heads Youth Group

Philip A. Dulany has been elected new president of the Pahokee Senior Methodist Youth Fellowship. Other new officers chosen for the coming year were David Cunningham, vice president; Kay Friend, secretary; Pat Elliott, treasurer; Linda Sellers, MYF fund treasurer, and Annette McIntosh, pianist. Mr. and Mrs. Jesse W. Reel are counselors for the group. The new officers will be installed during the Sunday evening service at the church, May 29.

The Pahokee Intermediate MYF also chose a slate of new officers the past week, electing J. W. Reel, Jr., president; Kathy Wilson, vice

president; Nancy Thomas, secretary; Kathleen Spencer, treasurer; Jill McIlwain MYF fund treasurer, and Penny Sanger, scrapbook secretary. Mrs. Rembert A. Guy is counselor for this group.

## It Is Unlawful For Any Person Or Persons To Engage In Business Under A Fictitious Name Unless The Name Is Registered

The fictitious name statute was recently changed by the 1951 Legislature and the News has the necessary forms for proper registration and advertising.

The charge for advertising the notice the necessary four times is \$15.

As amended by the 1951 session, the law reads as follows:

"It shall be unlawful for any person or persons, as defined herein, to engage in business as herein defined, under a fictitious name as herein defined, without and unless said fictitious name shall be registered with the clerk of the circuit court of the county where the principal place of business is, which registration shall consist of filing with the clerk aforesaid an affidavit signed by all interested persons, stating under oath the names of all those interested in the business enterprise, the extent of the interest of each, and the fictitious name under which said business is carried on. Said registration may not be made until the person or persons desiring to engage in business under a fictitious name shall have advertised his or their intention to register said fictitious name at least once a week for four (4) consecutive weeks in some newspaper as defined by law in the county where said registration is to be made, and said registration shall not be accepted by the clerk of the circuit court except upon receiving proof of such publication."

## Permission Sought To Build Breakwater

The City of Pahokee has submitted to the U. S. Army Corps of Engineers plans and an application for a permit to construct a groin and a breakwater at the Pahokee waterfront in Lake Okeechobee to protect the city pier and form a harbor for boats plying the lake waters, according to an announcement by Col. E. E. Kirkpatrick, U. S. Army district engineer of Jacksonville.

Col. Kirkpatrick states in the notice of application for a permit that "The proposed concrete and steel sheet groin would be about 450 feet long, of which about 300

feet would extend into the waterway, and would be about 14 feet wide, the top being about 20 feet above mean sea level. The proposed breakwater would be of the same construction, elevation and width as the groin but would be about 1,200 feet long lying parallel to the Government levee and about 830 lakeward of the shoreline. The southwesterly end of the breakwater would lie approximately 530 feet lakeward from the lakeward end of the groin. It is also proposed to dredge the area between the breakwater and the shoreline to a depth of five feet above mean sea level, but no dredging is to be performed within 50 feet of the Government levee."

Plans for the groin, breakwater

and dredging are available for study at the office of the district engineer in Jacksonville of the resident engineer in Clewiston. There will be no public hearing on the application but anyone wishing to protest that this proposed work "would unreasonably interfere with public navigation, or would unfavorably affect the navigable capacity of the said waterway" should submit the protests in writing and send them to the U. S. Army district engineer in Jacksonville in time to be received on or before May 31, 1955.

Mrs. Ruth Meredith is spending a week with her son-in-law and daughter, Mr. and Mrs. Emil Chauvin and family at Savannah, Ga.

## Betty Heldt Named Auxiliary Head

Mrs. Betty Heldt was elected president of the Pahokee American Legion Auxiliary at a meeting in the Legion Hall on East Main St., with Mrs. Betty Holman, retiring president, presiding.

## Honor Mrs. Schroder

Mrs. Charles Sears entertained at the home of her parents, Mr. and Mrs. Homer Barnes, Thursday afternoon of last week with a Coke party in compliment to Mrs. Robert W. Schroder who, with her husband, have been visiting his parents, Mr. and Mrs. Robert J. Schroder, in Pahokee while he is being transferred by the U. S. Air Force from Rapid City, N. Dak., to Westover, Mass. The hostess was assisted by Mrs. William Rose of Tampa and Miss Nancy Hillier.

Donald Avera returned home Tuesday from the Everglades Memorial Hospital where he recently underwent an appendectomy.

# Ford's lower price lets you buy "the works"!

Because Ford is priced hundreds of dollars below other fine cars, you can have conveniences like Fordomatic, power steering, power brakes, power windows or a 4-way power front seat with the money you save!\*

Can you see, steer, stop safely?  
Check your car... check accidents!

\*Based upon a comparison of manufacturers' suggested list or factory delivered prices

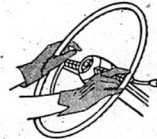

You can profit from the experience of thousands of former medium-priced-car buyers who have made the switch to Ford. For one thing, you can enjoy as they do Ford's many fine-car features and, with the money you save, buy the power conveniences of your choice.

And whichever of Ford's 16 beautiful models you prefer, you get the years-ahead styling of the Thunderbird—that fabulous original by Ford. Rich Luxury Lounge interiors offer you the last word

in interior décor and feature many colorful new fabrics used for the first time in any car. You'll be far ahead in "go," too, with Ford's reassuring Trigger-Torque power. Here's the power that meets your every demand in traffic or on the open road. And wherever you go, on boulevard or back road, you'll find that Ford's exclusive new Angle-Poised ride smooths the way.

Try Ford and you'll agree... you can pay more but you can't buy better!

### Master-Guide Power Steering lets you park up to 75% easier

You ease into or out of tight parking spaces with far less effort. Unlike many power steering systems, Master-Guide leaves you with a natural "feel" of steering... assists you the moment you need extra turning or parking "muscle."

### Swift Sure Power Brakes let you stop up to 1/2 easier

You travel relaxed... arrive refreshed. And Ford's suspended brake pedal makes stopping even easier.

### Power-Lift Windows let driver regulate all 4 windows

There's a separate control at each window for passenger convenience. From the driver's seat you can set each window with a touch on the control.

### 4-Way Power Seat gives exact seat adjustment

A single control moves front seat forward or back, up or down, for exact height, leg room you want. The only 4-way seat in Ford's field.

### New Speed-Trigger Fordomatic for automatic driving at its best

For extra-fast speed-trigger starts, just press the accelerator to the toe-board and you flash away in "low." Fordomatic automatically shifts into intermediate gear then to direct—all while the selector lever is set at "Drive."

**Make your dream house come true! It's easy  
—through Payroll Savings!**

If you think you can't own the home of your dreams because the down payment's too steep, chances are you've never tried the Payroll Savings Plan. Because this is the easy, automatic way to meet any down payment—for a house or any large purchase.

Just do this: Sign a Payroll Savings application at your pay office, naming a certain sum to be kept aside from your pay before you get it each week—a few dollars or as much as you want. After that, you're saving *automatically*—nothing to worry about, nothing to do. And, best of all, the money saved out of your pay each week is *automatically* invested for you in U.S. Series E Savings Bonds.

Because Savings Bonds earn solid interest—3% cumulative semiannually when held to maturity

—the few dollars saved from your pay each week soon grow into big generous amounts. For instance, if you sign for \$12.50 a week, in just five years you'll have \$3,348.95 cash. In 9 years, 8 months, you'll have \$7,217.20!

So don't let down payments get you down. Meet your needs for ready cash the way more than 8 million other Americans are meeting theirs—join the Payroll Savings Plan today. Or, if you're self-employed, invest in Bonds regularly where you bank. Start now to make your dreams come true!

\* \* \*

*If you want your interest as current income, ask your bank about Series H Bonds, which pay interest semi-annually by Treasury check.*
